

Effect of a 10-unit increase in PM10 along lags

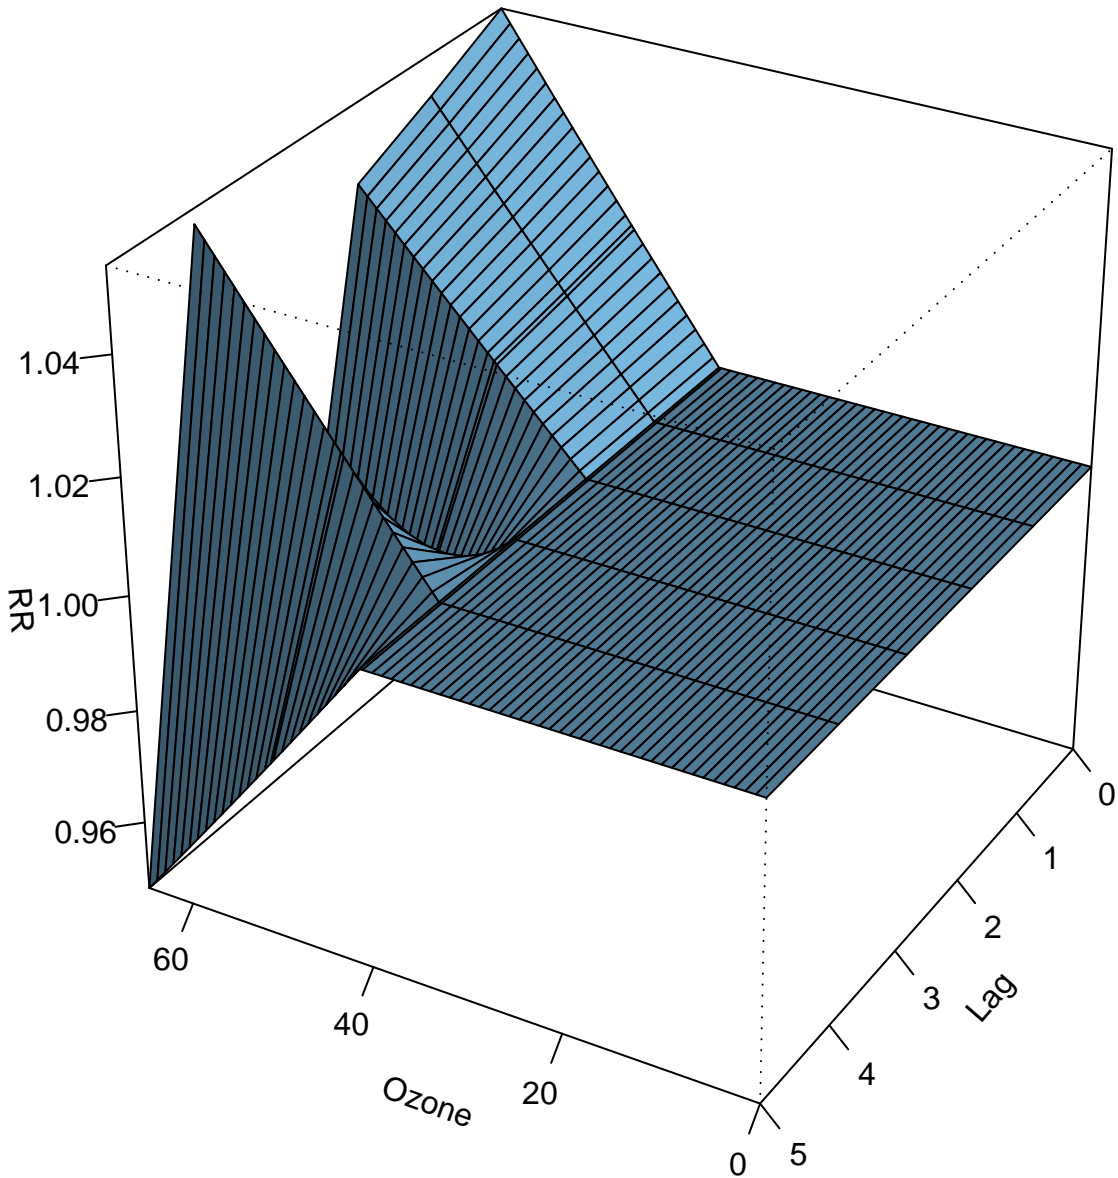

Overall effect of PM10 over 15 days of lag

Effect of a 10-unit increase in ozone along lags

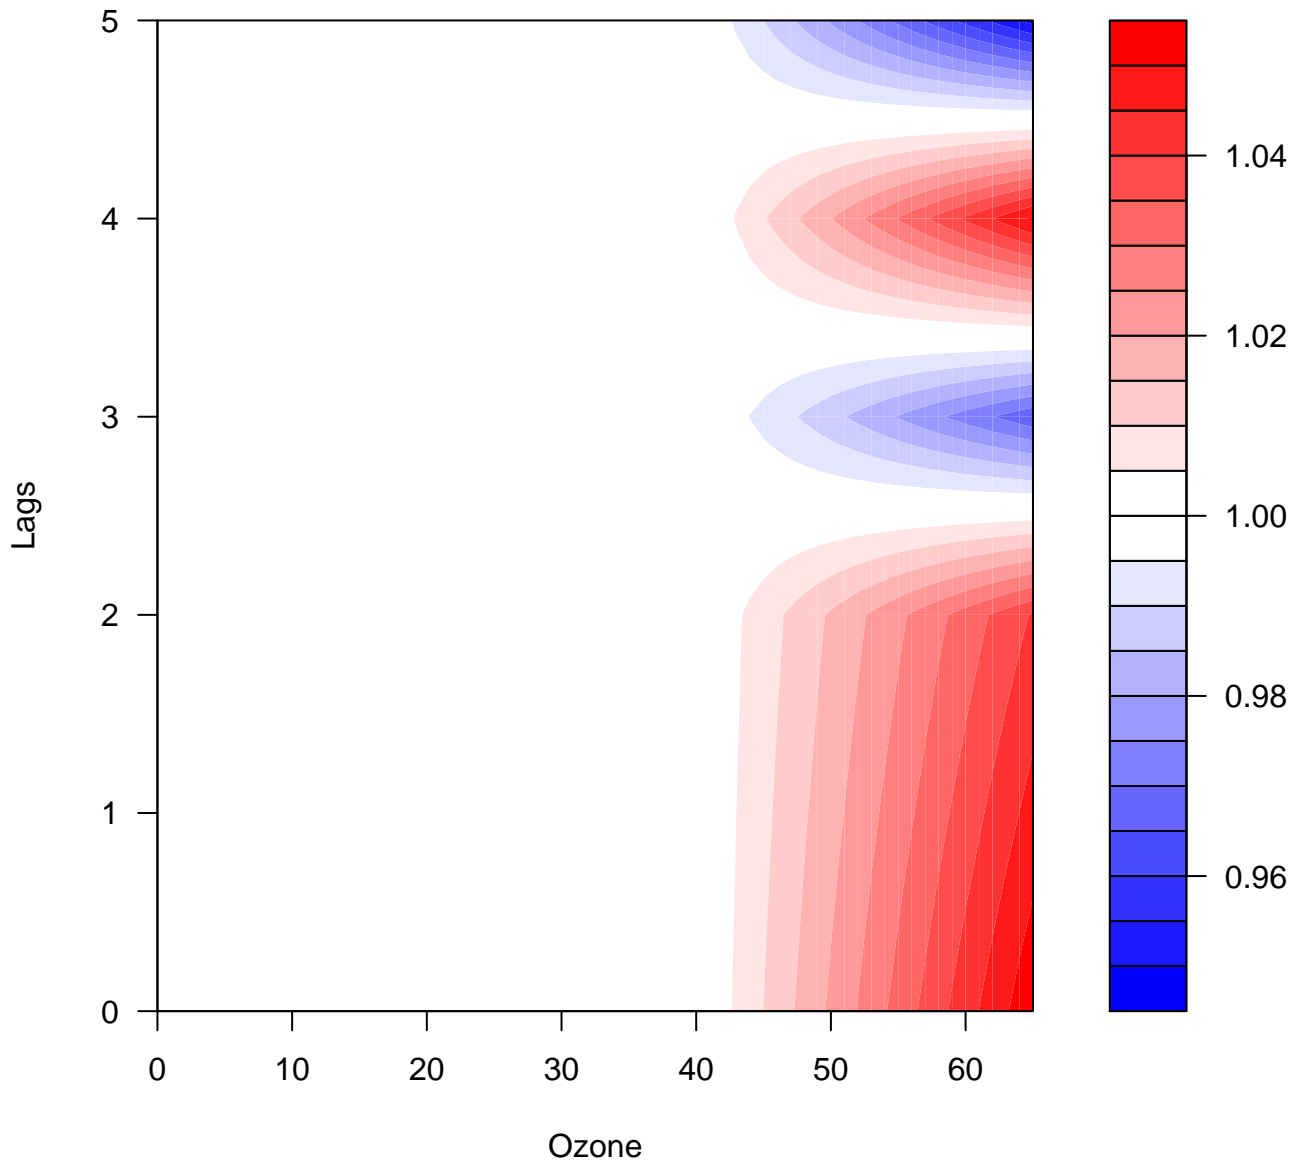

3D graph of ozone effect

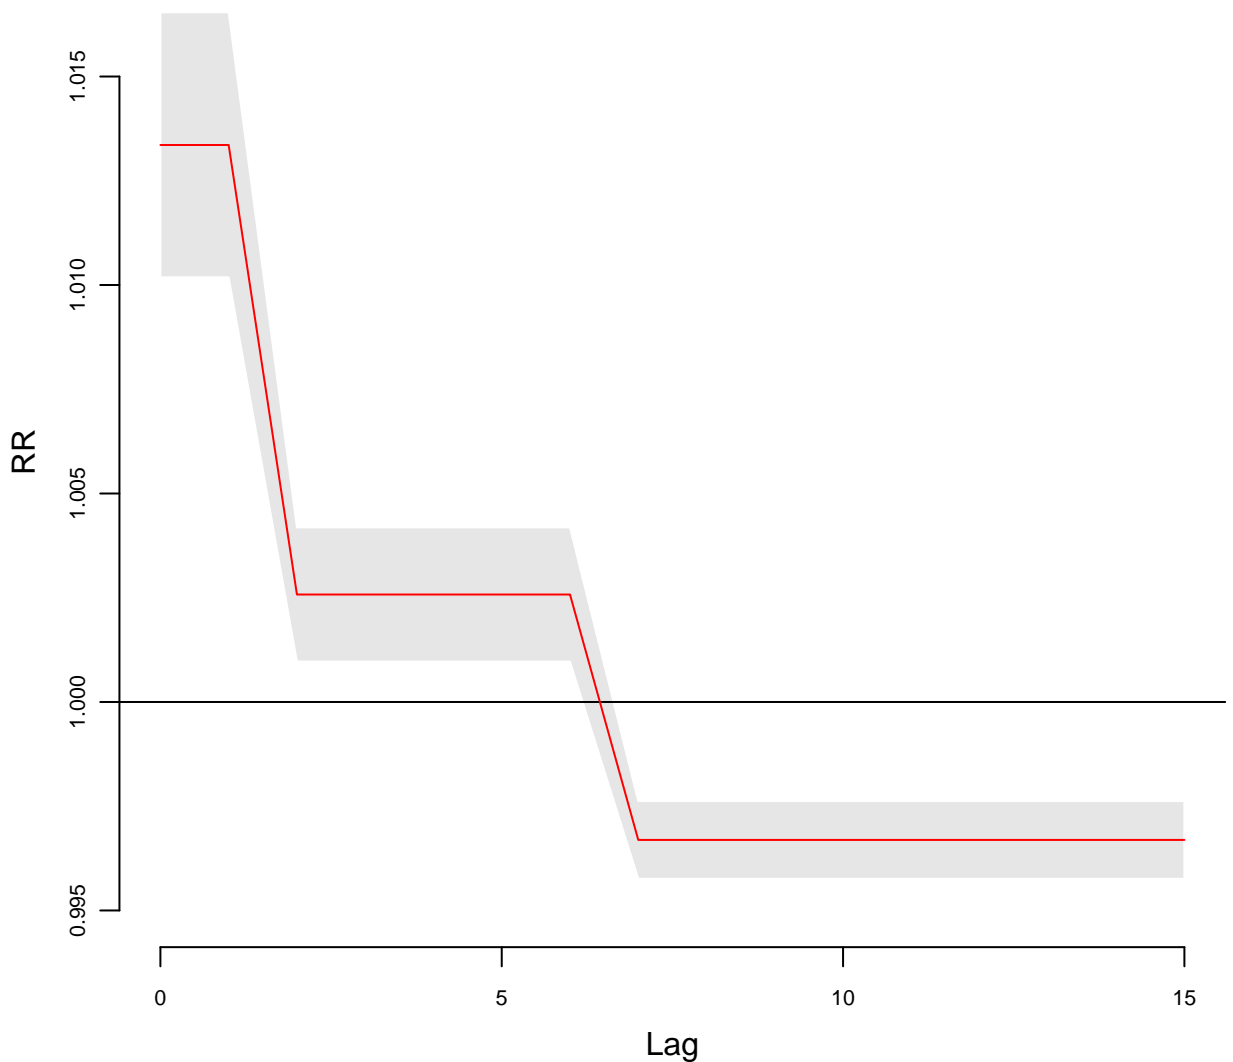

Contour graph of ozone effect

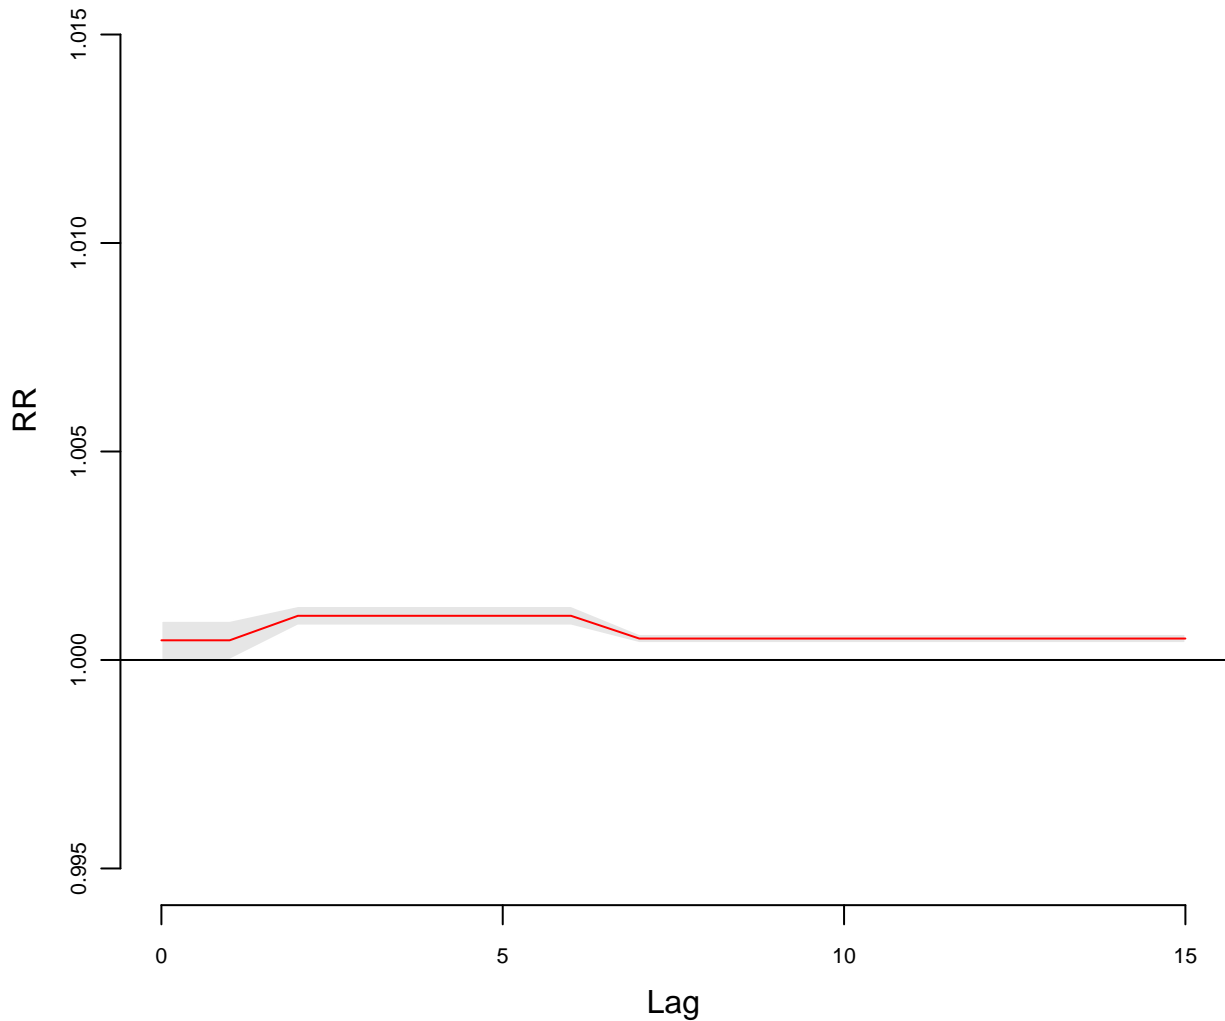

RR

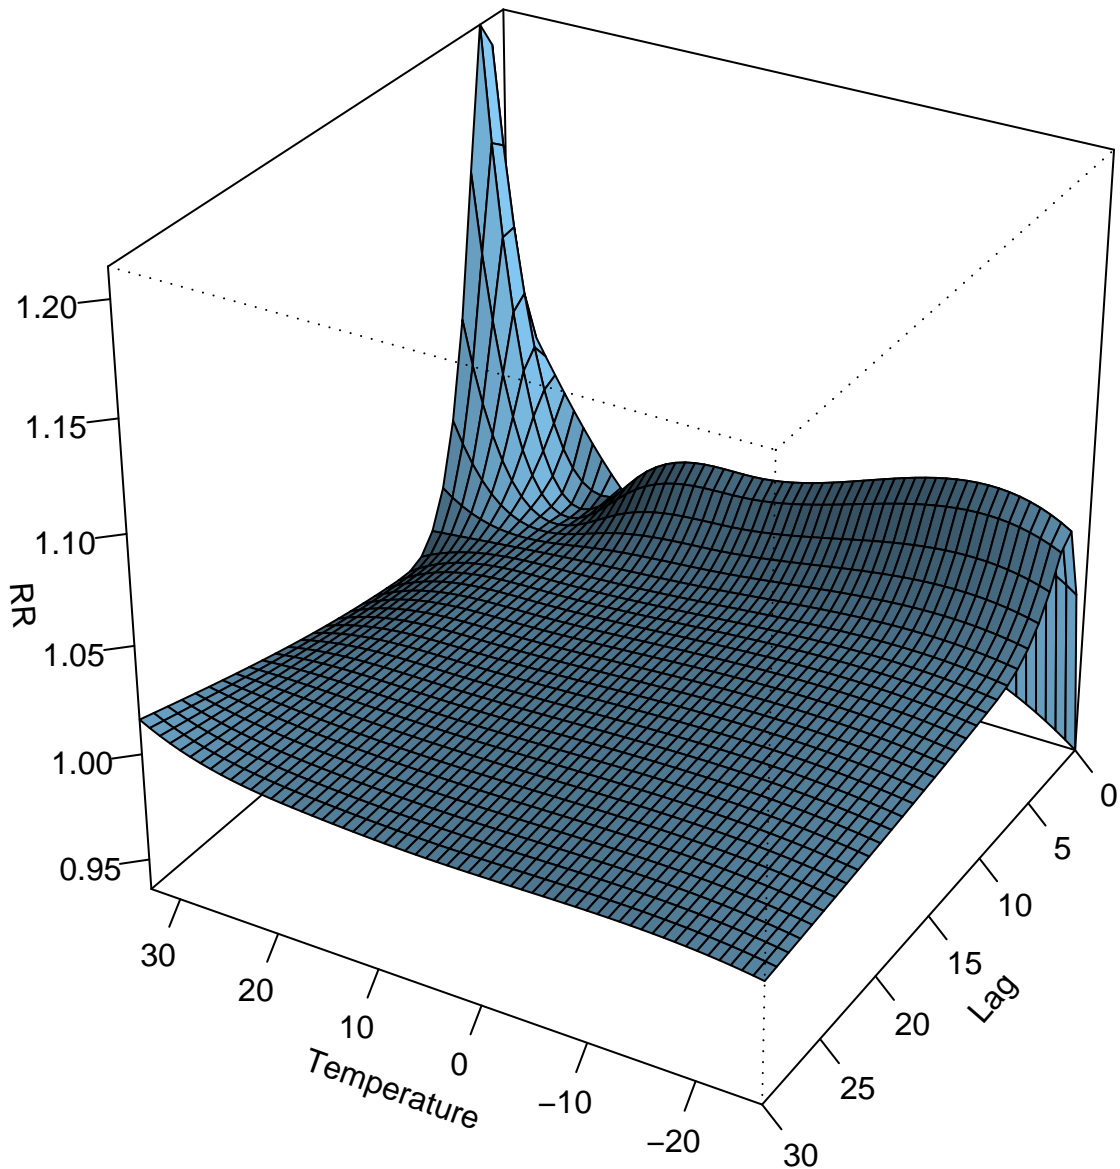

Effect of temperature along lags for a unit increase above the high threshold

Effect of temperature along lags for a unit increase below the low threshold

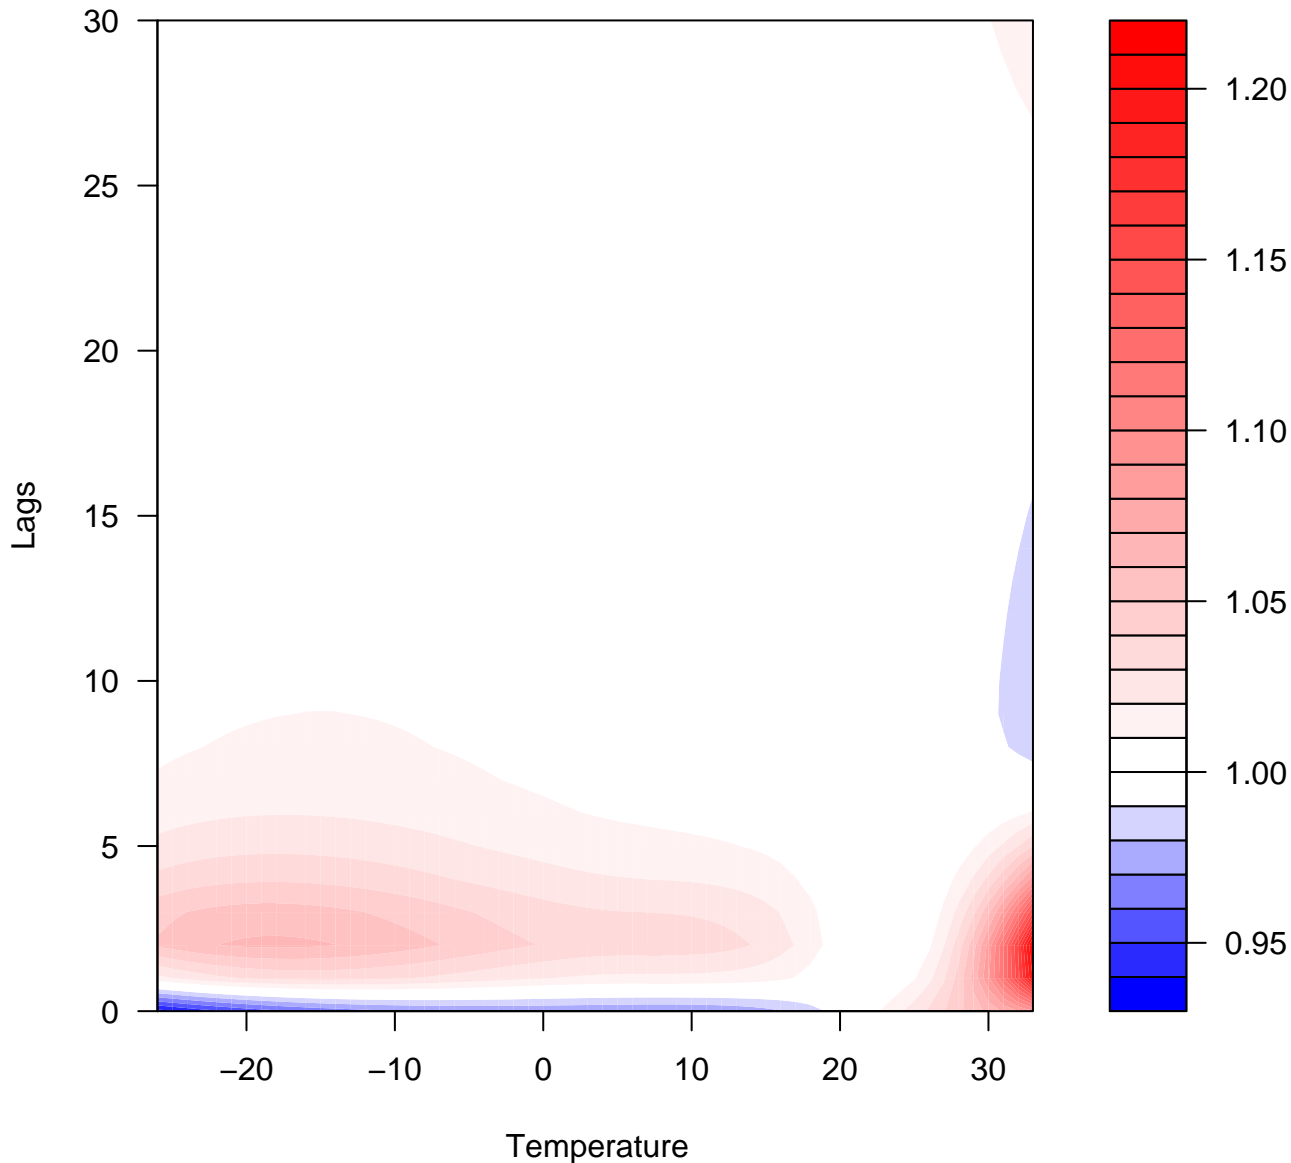

3D graph of temperature effect

Contour graph of temperature effect

RR

Overall effect of temperature over 30 days of lag
